

SuperProfDoc - Doctoral supervision of multi-disciplinary practice based doctorates

Final Workshop

Framework of Practice for Professional and Practice Based Doctorates Workshop

Design of training workshop for practice doctorates supervisors

The workshop will focus on the results emerging from the project **SuperProfDoc – Doctoral supervision of multi-disciplinary practice based doctorates: an appreciative inquiry into best practice in their design, development and delivery**, co-funded by the European Commission, aimed at identifying the best practices in the supervision of modern doctorates and sharing knowledge about current doctorate programs featuring collaboration between universities and industry. Main findings, insights and policy implications will be presented and discussed among participants during the workshop.
